

# Grade 8-9 Maths Recap

Want to set yourself up for success in your high school Maths? Join us for a 10-hour recap course to ensure that your Maths foundations are strong for 2023!

**Fee: R95.00**

for the full 10-hour course

**Grade 8s: 13-17 February (4-6pm each day)**

**Grade 9s: 20-24 February (4-6pm each day)**

Science Clinic is hosting a Grade 7 recap course (for 2023 Grade 8s) and a Grade 8 recap course (for 2023 Grade 9s) to consolidate essential Maths foundations that are required for the respective grades. Different core topics will be revised every afternoon. The courses are live and interactive on Zoom. Recordings and notes will be provided for registered students who cannot attend live discussions. Bookings close at midnight before the respective courses.
